

LAGUNA SIGNS & SCREEN PRINTING

David and Jo, and the Great team at Laguna Signs are excited with their new sponsorship of the Sunshine Beach Surf Lifesaving Club and look forward to putting back into their community.

We would like to offer every member in the club, the opportunity to save money whilst just doing their day to day business, and giving back to their community at the same time. If you require sign writing on work vehicles, stickers, car magnets, banners or T shirts, we'll discount them by 10%, with 5% going straight back to the club and 5% going to you. You help us, help you and the club wins too!!!!

Just supply us your membership number when you place an order

Looking forward to meeting you all.
